

Nazaha clubs Initiative

(execution plan)

Directorate of the promotion of Integrity

Introduction

The commission has prepared a guide to the procedures of "Nazaha Clubs". In the frame work of activating the project of the strategic approaches for the National Anti-Corruption Commission which were approved by the royal court. Included the development of a "Nazaha Clubs" program in educational institutions, universities, technical and military colleges. It was first launched in educational institutions for the aim of creating awareness in the students community through positive practices for integrity values in order to create positive national trends to protect integrity and reject all forms of corruption.

This guide is not limited to the activities and programs included in (Nazaha clubs) at educational institutions. Nazaha clubs can decide on what programs and activities they see appropriate.

Foundations of Nazaha Clubs

Vision:

That Nazha Clubs program becomes one of the best in the education system which seeks to achieve integrity as a religious duty, ethical behavior and a national work.

Mission:

Work on promoting integrity and fighting corruption by self-monitoring and immune the next generation from corruption.

Objectives:

- 1- Develop self-monitor skills for students in Universities and colleges.
- 2- Show risks of corruption on the individual and society.
- 3- Disseminate the culture of integrity and fighting corruption.
- 4- The promotion of citizenship and sense of belonging through positives values that protects society.
- 5- Organize and sponsor student cultural and scientific activities in the field of integrity.

Principles:

- 1- Achieve social solidarity.
- 2- Achieve good quality programs and services.
- 3- Spread the spirit of cooperation amongst educational institutions.
- 4- Activate education, development and training.

Targeted Audience:

Students (Males-Females) in educational institutions.

Why the need for Nazaha Clubs in educational institutions?

- 1- The effect of the educational society on other various segments of society and its institutions.
- 2- Ability for those responsible of this program to deliver the required message in the most simple way.
- 3- Geographical spread of educational institutions in every city.
- 4- Promotion of integrity culture amongst students in educational institutional.

Executive procedures for the initiative:

- 1- Nazaha clubs execute activities and events in coordination with the National Anti-Corruption Commission.
- 2- Prepare timed plan to implement the initiative with each club according to the conditions and circumstances of the university or college targeted.
- 3- Encourage universities and colleges to find a mechanism to motivate supervisors and club members.
- 4- Inform the National Anti-Corruption Commission on the activities and events.

Integrity values targeted
